

What's New on McGregor II

Summer 2014, St. Thomas, USVI Volume 1, Issue 16

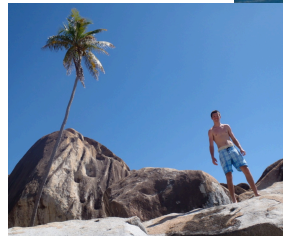

Greetings from Virgin Gorda Yacht Harbor. Fall is here and we are getting McGregor ready for a great season! We just wanted to say hello and let you know what's new on McGregor II!!

One of our latest additions is a new Bauer 4.0 CFM Dive Compressor. No more taking tanks ashore for filling!

SCUBA diving is more popular than ever, many friends and family members completed their Open Water Certifications. To all of them....

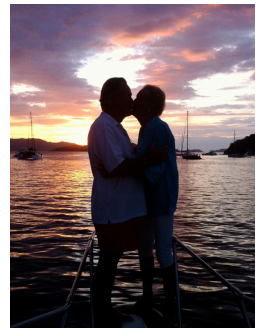

Welcome to the Under Water World!

Several things that remain constant in the V.I. are our spectacular white sand beaches, and tranquil, crystal clear blue waters.

We had multiple anniversaries & vow renewals last season...

CONGRATULATIONS TO ALL WHO CELEBRATED SPECIAL OCCASIONS!

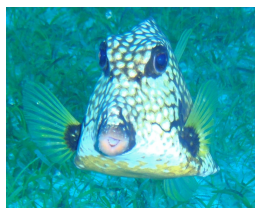

Weather is already turning cold up North and we have 3 prime winter openings:

January 6-16, February 18-26, March 10-19

OR... we also have availability in May and June!

We hope this letter finds you well. Please drop us a line when you have some time...or better yet, come join us in the upcoming season. Have a GREAT year!!
