

What's New on McGregor II

Summer 2015, St. Thomas, USVI Volume 1, Issue 17

It has been a lovely fall here in Colorado and before we head back to the VI, we wanted to say hello and let you know, "What's New on McGregor II"...

MCGREGOR II

A large project that has been several years in the planning is coming together. We are fitting our new 12' x 14' hardtop. Once installed, we will then be adding a 1000 Watt solar panel system in an attempt to go **Quieter and Greener!**

SCUBA and Snorkeling...
always plenty to see!!

Thanks to **Steve Simonsen Photography** for all their amazing photos, both above and below the water.

After 17 years of loving and living together, we are happy to share with you that we are now officially married!

We have weeks available this coming 2015-2016 season, including Thanksgiving!

We hope this letter finds you well. Please drop us a line when you have some time...or better yet, come join us in the upcoming season. Have a **GREAT** year!!

Warm Regards, *Captain Tim Miller & Chef Julie Brown*
