

McGREGOR III

What's New on McGregor III

Winter 2019, St. Thomas, USVI Volume 1, Issue 19

Well, actually, it's all new! After a whirlwind year, we are happy to let you know that we are back in the Virgin Islands with a new boat, McGregor III. We recently brought her 1200 miles from Florida, did two charters and are ready for action!!

McIII is a 60' Jefferson motor yacht. Her size and layout are very similar to McGregor II. When you look at photos, the resemblance is quite remarkable. The new "Greggie" is a bit faster and has Naiad stabilizers for an ultra smooth ride!

The Master aft cabin suite now boasts a king size bed. The twin room and v-berth are also very spacious. Each cabin has it's own bathroom & shower.

The interior is a glossy cherry wood finish with the galley up so that Julie can more easily join in the fun!

Of course, in looking for the new boat, we had to find a place for the McGregor "Beach!"

More good news! Our dingy, "Franky", made it through the storm. She has a few battle scars and we have stories about getting her back, but Franky is ready for this year's

TODDY TOURS!

Stargazing & Story Telling!

Hope this letter finds you well. The new McGregor website will be out soon. We look forward to hearing from you. Have a GREAT year!!

Warm Regards, *Captain Tim Miller & Chef Julie Brown*
